Public Notice
Simplot Phosphates Class IIIb Landfill

Simplot Phosphates LLC has petitioned the Utah Solid and Hazardous Waste Control Board to renew Permit #9908 to operate a Class IIIb landfill. This landfill, called the Simplot Phosphates Landfill, is permitted to dispose of nonhazardous industrial wastes generated by phosphate mining and milling and includes incidental office wastes, shipping wastes, and incidental wastes generated by meals. The landfill is located approximately 10 miles north of Vernal on Highway 191. The Utah Solid and Hazardous Waste Control Board grants operating permits for ten years. The permit renewal application and subsequent response to additional information requested by the Division of Solid and Hazardous Waste (DSHW) have been reviewed and found to be complete and a draft renewal permit has been prepared.

The Utah Solid and Hazardous Waste Act requires a 30-day public comment period to receive comments on this permit renewal application and DRAFT PERMIT #9908 before final action is taken by the Executive Secretary of the Utah Solid and Hazardous Waste Control Board. The public comment period for DRAFT PERMIT #9908 will commence on March 14, 2007 when this notice is published in the, the Deseret Morning News, the Salt Lake Tribune, and the Vernal Express. The comment period will run for 30 days and end on April 13, 2007.

Copies of the Draft Permit and permit renewal application will be available for public review throughout the comment period during normal business hours at the following locations . In addition, an unofficial copy of the draft permit and permit renewal application is available on the Division web page at www.hazardouswaste.utah.gov/hpc-1.htm:

Division of Solid and Hazardous Waste
Cannon Health Building, 4th Floor
288 North 1460 West
Salt Lake City, UT

TriCounty Health Department
Environmental Health
147 East Main Street
Vernal, Utah 84078

A public hearing may be held if, within 15 days of publication of this notice, a request is made to the Executive Secretary in writing and meets the requirements of Utah Administrative Code R315-311-3.

Comments will be accepted until 5:00 p.m. April 13, 2007. Comments may be mailed to:

Dennis R. Downs, Executive Secretary
Utah Solid and Hazardous Waste Control Board
P.O. Box 144880
Salt Lake City, UT 84114-4880

Comments may also be sent by electronic mail to: swpublic@utah.gov. Comments sent in electronic form should be identified by putting the following in the subject line: "Public comments on Simplot Phosphates Landfill." Any attachments should be submitted as ASCII (text) files or PDF format. All comments must be received no later than 5:00 p.m. April 13, 2007. For further information contact Ralph Bohn or Roy Van Os, Division of Solid and Hazardous Waste, 538-6170. In compliance with the Americans with Disabilities Act, individuals with special needs (including auxiliary communicative aids and services) should contact Charlene Lamph, Office of Human Resources at (801) 536-4413 (TDD 536-4414).
